DETAILED ACTION

Reasons For Allowance

1. **Claims 1-11 allowed.**
2. The following is a statement of reasons for the indication of allowable subject matter:
 - a) The prior art made of record does not teach in combination the step of other limitations recited in **claim 1**: A switch fabric for routing data from one or more sources towards one or more destinations, comprising a switching stage configured between an input stage and an output stage wherein:

each crossbar device comprises:

 - (1) a bid arbitrator configured to determine whether to accept or reject each received bid, wherein, in response to a collision between multiple bids, the bid arbitrator accepts two or more of the colliding bids in a single time slot; and
 - (2) memory for storing one or more accepted cells for the same output device, wherein the crossbar device can transmit grant signals for two or more accepted bids for the same output device in a single time slot.
 - b) The prior art made of record does not teach in combination the step of other limitations recited in **claim 9**: A switch fabric for routing data from one or more sources towards one or more destinations, comprising a switching stage configured between an input stage and an output stage wherein:

the switching stage comprises:

 - (1) a bid arbitrator configured to determine whether to accept or reject each bid; and

(2) memory for storing one or more of the bids received from the input stage, wherein the bid arbitrator is configured to re-consider whether to accept a stored bid that was not accepted in a previous time slot.
